Full stack web developer with a Bachelor's degree in creative media and a history in customer service in search of entry-level, full-time work. Recently earned a certificate in Web Development from the University of Denver Coding Boot Camp. Committed to creativity, quality, personal development, and responsibility.

## Technical Skills

**Coding Languages:** HTML, CSS, Javascript

**Tools:** jQuery, Bootstrap, Node

**Applications:** Visual Studio Code, Microsoft Office, Adobe Creative Suite

## Projects

**Stock Scanner** | [Link to GitHub](#) | [Link to the app](#)

- Summary: An application that allows the user to view current stock numbers and a visual history
- Role: Back-end coder. Worked with both chart and stock API data, displaying data, and search history
- Tools: HTML, CSS, JavaScript, jQuery, MDBBootstrap

**Weather Dashboard** | [Link to GitHub](#) | [Link to the app](#)

- Summary: An application that allows the user to search for current weather data in a particular city and display a 5-day forecast
- Role: Sole author
- Tools: HTML, CSS, JavaScript, jQuery, Bootstrap

**Coding Quiz** | [Link to GitHub](#) | [Link to the app](#)

- Summary: A quiz game that tracks the user's score based on time spent and correct answers. The game also stores a high scores list.
- Role: Sole author
- Tools: HTML, CSS, JavaScript

## Employment History

**Toastmasters International:** March 2017 – Present

*Customer Service Representative: Processor*

- Excelled in back-end processes and became the “go-to guy” for corrections and questions.
- Suggested several updates to processing methods that were implemented into standard practice.
- Trained both new and existing employees
- Became involved in several team building activities

**Extreme Packaging:** 2016 – February 2017

*Shipping & Receiving Clerk*

- Adapted quickly and learned several practical and organizational skills

**Red Robin:** 2014 – 2016

*Expeditor / Server*

- Regularly covered a two-person position.
- Received employee of the month award twice.
- Went above the required duties to ensure a good customer experience.

## **Education**

**University of Denver:** April 2021

*Coding Bootcamp, Certificate of Completion*

- Average Grade: A

**The Art Institute of California – Orange County:** December 2015

*Bachelor of Science, Media Arts & Animation*

- Average G.P.A.: 3.2
- Dean's List: Winter 2013
